

Notice of Traffic Control Change

(I-35W North MnPASS Design-Build Project)

To:	Rob Gullikson, Ames PM	Date:	04/16/19	NTCC No.:	3
From:	Bob Green, PE, PTOE				

The following closures will take place on the I-35W North MnPASS Design-Build Project as described below.

Roadway	I-35W SB	Location	2000 feet north of County Road 96 to County Road E2		
Date Beginning	Wednesday, 4/17/2019; 12:01 am		Date Ending	11/14/19	
Type of Operation	The SB inside lane will be closed to accommodate center median work between County Road 96 and County Road E2 including grading and storm sewer installation.				
Type of Traffic Control	Traffic control will be per Design Package MOT 2, Sheets MOT2-216 to MOT2-221. These sheets were modified by NDC #001 to include the SB inside lane closure.
