INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER
FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS
BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN
ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

To the City Council and Management
City of Mounds View, Minnesota

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, the financial statements of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of the City of Mounds View, Minnesota (the City) as of and for the year ended December 31, 2018, and the related notes to the financial statements, which collectively comprise the City's basic financial statements, and have issued our report thereon dated April 2, 2019.

INTERNAL CONTROL OVER FINANCIAL REPORTING

In planning and performing our audit of the financial statements, we considered the City's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the City's internal control. Accordingly, we do not express an opinion on the effectiveness of the City's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the City's financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and therefore, material weaknesses or significant deficiencies may exist that have not been identified. We did identify one deficiency in internal control, described in the accompanying Schedule of Findings and Responses as item 2018-001, that we consider to be a material weakness.

COMPLIANCE AND OTHER MATTERS

As part of obtaining reasonable assurance about whether the City's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

CITY'S RESPONSE TO FINDING

The City's response to the finding identified in our audit is described in the accompanying Schedule of Findings and Responses. The City's response was not subjected to the auditing procedures applied in the audit of the financial statements and, accordingly, we express no opinion on it.

PURPOSE OF THIS REPORT

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the City's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the City's internal control and compliance. Accordingly, this report is not suitable for any other purpose.

INDEPENDENT AUDITOR'S REPORT
ON MINNESOTA LEGAL COMPLIANCE

To the City Council and Management
City of Mounds View, Minnesota

We have audited, in accordance with auditing standards generally accepted in the United States of America, and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, the financial statements of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of the City of Mounds View, Minnesota (the City) as of and for the year ended December 31, 2018, and the related notes to the financial statements, which collectively comprise the City's basic financial statements, and have issued our report thereon dated April 2, 2019.

MINNESOTA LEGAL COMPLIANCE

The *Minnesota Legal Compliance Audit Guide for Cities*, promulgated by the State Auditor pursuant to Minnesota Statutes § 6.65, contains seven categories of compliance to be tested: contracting and bidding, deposits and investments, conflicts of interest, public indebtedness, claims and disbursements, miscellaneous provisions, and tax increment financing. Our audit considered all of the listed categories.

In connection with our audit, nothing came to our attention that caused us to believe that the City failed to comply with the provisions of the *Minnesota Legal Compliance Audit Guide for Cities*, except as described in the Schedule of Findings and Responses as item 2018-002. However, our audit was not directed primarily toward obtaining knowledge of such noncompliance. Accordingly, had we performed additional procedures, other matters may have come to our attention regarding the City's noncompliance with the above referenced provisions.

CITY'S RESPONSE TO FINDING

The City's response to the finding identified in our audit is described in the accompanying Schedule of Findings and Responses. The City's response was not subjected to the auditing procedures applied in the audit of the financial statements and, accordingly, we express no opinion on it.

PURPOSE OF THIS REPORT

The purpose of this report is solely to describe the scope of our testing of compliance and the results of that testing, and not to provide an opinion on compliance. Accordingly, this report is not suitable for any other purpose.

CITY OF MOUNDS VIEW

Schedule of Findings and Responses
Year Ended December 31, 2018

A. FINDINGS – MATERIAL WEAKNESS IN INTERNAL CONTROL OVER FINANCIAL REPORTING

2018-001 SEGREGATION OF DUTIES

Criteria – Internal control over financial reporting.

Condition – The City of Mounds View, Minnesota (the City) has limited segregation of duties in a number of areas.

Context – This is a current year and prior year finding.

Cause – The limited segregation of duties is primarily caused by the limited size of the City's business office staff.

Effect – One important element of internal accounting controls is an adequate segregation of duties such that no one individual should have responsibility to execute a transaction, have physical access to the related assets, and have responsibility or authority to record the transaction. A lack of segregation of duties subjects the City to a higher risk that errors or fraud could occur and not be detected in a timely manner in the normal course of business.

Recommendation – We recommend that the City continue to segregate duties as best it can within the limits of what the City considers to be cost beneficial.

Management Response – There is no disagreement with the audit finding. The City reviews and makes improvements to its internal control structure on an ongoing basis and attempts to maximize the segregation of duties in all areas within the limits of the staff available. However, the City does not consider it cost beneficial at this time to increase the size of its staff in order to further segregate accounting functions.

B. FINDINGS – MINNESOTA LEGAL COMPLIANCE AUDIT

2018-002 PAYMENT OF INVOICES

Criteria – Minnesota Statutes § 471.425, Subd. 2.

Condition – Minnesota Statutes require prompt payment of local government bills within a standard payment period of 35 days from the receipt of goods and services for governing boards that meet at least once a month. If such obligations are not paid within the appropriate time period, local governments must pay interest on the unpaid obligations at the rate of 1.5 percent per month or part of a month. One of twenty-five disbursements tested was not paid within the statutory time limit.

Context – One of the twenty-five disbursements tested was not in compliance. This is a current year finding.

Cause – This was an oversight by City personnel.

CITY OF MOUNDS VIEW

Schedule of Findings and Responses (continued)
Year Ended December 31, 2018

B. FINDINGS – MINNESOTA LEGAL COMPLIANCE AUDIT (CONTINUED)

2018-002 PAYMENT OF INVOICES (CONTINUED)

Effect – One payment made to a vendor was not paid within the timeframe as required by state statutes.

Recommendation – We recommend that the City review current procedures in place to ensure that all invoices are paid within statutory requirements.

Management Response – There is no disagreement with the audit finding. The City will review its procedures in place to ensure future compliance with the statute.
